The public is invited to attend meetings. Committees are scheduled during the year so please visit www.lakebluffparks.org for agendas.

Thanks to the many volunteers who contribute their time, energy and enthusiasm to the Lake Bluff Park District. Just a few of the groups who help make the Park District a special place include the Friends Board, Park Board Committee members, youth sports coaches, Lake Bluff Open Lands, beach cleanup volunteers, Eagle Scouts, Yacht Club and counselors in training.
We are here to serve your recreation and leisure needs. Feel free to call us with any of your concerns at any time. All phone numbers listed here have voicemail so you may leave messages 24 hours a day.

Here is who to contact with specific questions and concerns. If inquiring about facility rentals, contact the Guest Services Desk at 847-234-4150.

Lake Bluff Park District Boundaries

Please note: A Lake Bluff postal address does not determine Park District residency. Residency is determined by residing within Park District boundaries. Non-residents, Commercial Groups, Business and Corporate Residents, Active Adult Non-Residents and City of Lake Forest, as defined by the policy do not receive resident rates for daily admission fees and memberships for the Pool, Open Gym and Sunrise Park and Beach. Open Gym is available for City of Lake Forest middle and high school students. The non-resident fees are intended to apportion an equalizing fee to our non-resident participants, so they contribute to the overall financing of the park system on an equitable basis with residents. Park District maps are available at the Park District office at Blair Park.

Park District Program Guide Delivery:

Does It Mean You’re a Resident?

Lake Bluff Park District program guides are delivered by the Lake Bluff Post Office to homeowners/businesses in Lake Bluff, Knollwood, and North Chicago. Even though you receive a program guide through the mail, you may not be a Park District resident. Only those who pay taxes to the Lake Bluff Park District are considered residents. Please call the Park District Office at 847-234-4150 if you have any questions concerning resident requirements.

Lake Forest Residents

Lake Forest Residents are eligible to receive resident rates for all recreation programs, daily fees and memberships. Included are Preschool, Fitness, Paddle and Golf memberships, Recreation Programs and Services, Lake Bluff Pool and Beach memberships and fees are not included.

Details, Details

High School Students — Take Note:

All adult programs are open to high school students unless otherwise noted. Min/Max:

For each program at the Park District, there’s a minimum number of registrants needed before a class can “go.” Most teachers are paid per class period, not per student. So if enough people don’t register, the Park District loses money—your money. In order to determine adequate registration, your registration must be at least seven days prior to the first date the class is held.

But why a maximum? The more students, the less individualized attention. We like to keep the student/teacher ratio low to ensure you get what you expect—a high quality program. The minimum number of registrants is the first number shown. The maximum is the second one shown.

Resident/Non-Resident Fees:

When two fees for a program are shown with a slash separating them (for example $50/$60), the first fee is the Park District Resident fee, and the second fee is the Non-Resident fee.

Photo Policy:

Photos are periodically taken of participants in a class, during a special event or at the District’s parks. Please be aware that these photos are for Park District use only and may be used in the District’s web site, program guides, pamphlets, social media or flyers.

Are You Covered?

The Lake Bluff Park District does not carry medical or accident insurance for program participants—the cost would make program fees prohibitive. Please review your own personal health insurance plan to be certain that you and your family have proper coverage.

ADA Compliance

The Lake Bluff Park District will comply with the Americans With Disabilities Act (ADA), which prohibits discrimination on the basis of disability. If anyone in your family would like to participate in a Park District program but requires special facilities or equipment because of a disability, please phone 847-234-4150. The Park District will make reasonable accommodations in recreation programs and facilities to enable participation by an individual with a disability. The ADA requires that recreational programs offered by the Park District be available in the most integrated setting appropriate for each individual. If you have any questions about the Park District’s policy regarding ADA, or believe you have been discriminated against by the Park District, contact 847-234-4150. A procedure is available for the resolution of complaints.

Financial Aid Program

The Lake Bluff Park District provides assistance for residents residing within the boundaries of the Park District. The amount of financial aid awarded is discounted at 25% or 50%, depending on family size, family income and special circumstances. Those families who qualify may receive a discount in programs that are not contractual in nature. Programs eligible to scholarship recipients include: general early childhood, early childhood enrichment, preschool, special events, adult and youth in-house athletics, camps, regular School of Dance classes (does not include competition dance classes), ARC, Before and After School Care, swim and diving lessons, swim team, Aqua Aerobics, and paddle lessons. Facility memberships are not included in the financial aid program. The maximum annual family discount is $1,000. Any resident interested in this program may stop by the recreation center guest services desk and pick up an application to fill out. The application is also available on-line at www.lakebluffparks.org. If you have any questions, please call the guest services desk at 847-234-4150.

Lake Bluff Counselors-in-Training

Are you a motivated and reliable young adult that likes working with kids? If so, we are looking for you! This upcoming summer the Park District will be bringing on Counselors-in-Training to become a part of our summer camp staff. They’ll become certified in CPR and First Aid, learn how to problem solve, assist in camp events, engage younger children in fun and safe activities, and develop valuable leadership skills. CITs must work well with others, be a good role model, and enjoy being outdoors.

After registration all potential CITs will be contacted to schedule an interview. You MUST be registered to obtain an interview.

Individuals who are deaf or hard of hearing can call NSSRA through the Illinois Relay system by dialing 711 or 1-800-526-0844.

**FAQ**

**Q. What other features does Illinois Relay offer?**

**A.** Illinois Relay offers additional relay numbers for people who want to use their voice or hearing with their TTY, for Spanish speaking people who use a TTY, and for people who are deaf-blind and use a telebraille. Standard telephone and TTY users also can use Illinois Relay's traditional 10 digit numbers or the three-digit number 711.

**Illinois Relay Numbers:**

TTY Users: 800–526–0844
TTY Users: Program this number into your TTY for the quickest answer and one touch dialing
Voice Users: 800-526-0857
TTY Users (Spanish): 800-501-0864
VCO (Voice Carryover): 877-826-1130
Speech to Speech: 877-526-6690
ASCII: 877-526-6680
Telebraille: 877-526-6670

For information about any of Relay’s features, call Sprint Relay Customer Service at 800-676-3777 v/tty or call or write the ITAC office at 800-841-6167 v/tty.

**Q. Are relay conversations confidential?**

**A.** Yes. Federal law mandates that all relay conversations are kept confidential and that no records be kept.

**Q. What is the cost to use Illinois Relay?**

**A.** There is no extra charge to use Illinois Relay. Long distance relay calls are billed at the regular rate that is charged between the point from which you are making the call and the point where the call terminates. Long distance calls can be billed to your preferred long distance provider. Give the Relay Operator your long distance information when placing the call. If you do not provide a specific company, the call will be billed through Sprint.

**Q. How do I access relay service in another state when I am traveling?**

**A.** All states must have “711” relay access. If that doesn’t work, directory assistance should have each state’s number.

---

**Making Calls through Illinois Relay**

If you use a standard telephone and want to call someone who uses a TTY, the Communications Assistant (CA) types your words to the person who uses a TTY and voices the TTY users typed words to you:

1. Dial 7–1–1
2. When a Communications Assistant (CA) answers, give the telephone number of the person you want to call.
3. When the person answers, proceed as you would with a regular call. Speak directly to the person you are calling, not to the CA. Example: “Hi Mary, How are you doing?”
4. Say “Go Ahead” or “GA” when you are ready for the other person to respond.
5. When you are finished with your conversation, end the call by saying “Go Ahead or SK” (stop keying) giving the TTY user an opportunity to continue or end the call.

If you use a TTY and want to call someone who uses a standard telephone, the Communications Assistant (CA) will voice your typed words to the person using a standard telephone and type the standard phone users words to you:

1. Dial 7–1–1 or 800–526–0844
2. When the Communications Assistant (CA) answers, type the telephone number of the person you want to call. Example: 555–1212 PLS.
3. When the person answers, proceed as you would with a regular TTY call. Direct your conversation to the person you are calling, not to the CA.
4. Type “GA” when you are ready for the other person to respond.
5. When you are finished with your conversation, end the call by typing “GA or SK” (stop keying) giving the person you are calling an opportunity to continue or end the call.

**Receiving Calls through Illinois Relay**

Standard Telephone Users: When you answer your telephone, you will hear a Communications Assistant (CA) say, “Hello. A person is calling you through Illinois Relay. I am CA####, have you received a relay call before?”

1. If you answer “No”, the operator will explain how Illinois Relay works.
2. If you answer “Yes”, the call will continue with the CA voicing everything the TTY user types, and typing everything the standard telephone user says.

TTY Users: When you answer the telephone using a TTY you will see “IRC CA#### (F/M) with a call” and the CA continues typing the standard telephone user’s greeting to you.

1. The call will continue as explained in the Making Relay Calls section above.
NSSRA provides and facilitates year-round recreation programs and services for children, teens and adults with disabilities who live in 13 northern suburban communities including Lake Bluff. With nearly 500 recreation, sport, cultural and social offerings available throughout the year, we specialize in introducing participants to new experiences, providing opportunities for skill development and leisure time, and most importantly, creating space for friendships to thrive.

**Services We Offer**

NSSRA serves approximately 1,600 individuals with disabilities through our traditional and cooperative programs. Participants range in age from preschoolers, youth and teens through young adults, adults and seniors. Programs are offered at park district facilities, schools and other locations throughout the northern suburbs.

NSSRA’s Inclusion support option provides individuals with disabilities the opportunity to enjoy full participation in partner agency programs while receiving the individualized one-on-one support they need to succeed. Through its programs and services, NSSRA removes the barriers that might prevent an individual with disabilities from full participation in the fun and richness of experience that life has to offer. For information on Inclusion services or to make arrangements for accommodation, contact Lake Bluff’s NSSRA Inclusion Liaison, Jim Lakeman, at (847) 457-7343 or jlakeman@lakebluffparkdistrict.org.

Important Regulations

1. Beaches are closed at 10:00 pm. Anyone wishing to use the beach after closing may do so by obtaining a permit at the Park District office.
2. Parking east of Moffett Rd. is prohibited after 9:00 pm. Any planned beach activity beyond the 9:00 pm parking restriction will require a special parking permit that may be obtained at the Park District office.
3. The Village of Lake Bluff police department maintains a regular patrol of the beach and enforces all Park District ordinances. In addition, a security patrol is on duty from 7:00 pm until after the beach closes. The patrol monitors the beach to ensure that our beach facility remains safe and pleasant for the entire community.
4. Swimming is allowed only in the supervised swimming areas as posted at the beach. No guest swimming off dog beach area. Only dogs may swim at dog beach.
5. Beaches will be closed whenever water is considered unsafe by the Health Department or lifeguards. Closures will be indicated with a red flag and posted on the Park District website.
6. Inflatable rafts or similar devices are not allowed unless life preservers are worn and used only in the supervised swimming area.
7. Children 10 years and under must be accompanied by an individual 16 years or older.
8. Lake Bluff Park District resident dog owners must complete the Dog Responsibility contract and have a Lake Bluff Park District Beach Dog Tag secured to the dog’s collar.
9. No motorized boat is allowed to be operated within 100 feet of the South beach.

Swimming Conditions at Sunrise Beach

The Lake Bluff Park District has improved its communication with Sunrise Beach users by indicating swimming conditions with a flag system. A green, yellow or red flag will be flown at the entrance to Sunrise Beach and will be posted on our website letting beachgoers know the daily swimming conditions. The color of the flag and conditions are described below:

Green Flag means: Low Bacteria Levels, No Advisory

Yellow Flag means: Elevated Bacteria Levels, or Riptide Alert, Caution Swimming Advisory

Red Flag means: When you come to the beach and the Red Flag is posted it means the water is closed for swimming. You can still have your day at the beach but you must stay completely out of the water.

There are several reasons why Sunrise Beach will post a Red Flag:

- **High levels of bacteria** will close the beach to swimmers. The Lake County Health Department tests our beach daily. If the E. coli count is higher than 235 E. coli colony forming units/100 milliliters of water, it is determined to be precarious for swimmers. The water will be closed until a clean test result is returned. To reopen the water for swimming, a resample will be taken and the E. coli count must be less than 235 cfu.

- A measurement of **two inches of rain** will also close the water for swimming. Run-off debris from the ravines and streets are deposited into the water possibly causing unsafe conditions. Closing the beach to swimming is a health precaution.

- **Strong Undertow**: When the winds shift and the wave swells become strong, the undertow can become dangerous. In these instances, the beach staff will go into the water to measure the strength of the undertow. Should it be too strong, the beach will post a Red Flag and close the water to swimming.

- **Rip Currents** are a strong channel of water flowing seaward from near the shore, typically through the surf line.

Beach Patrol

Beginning May 11, the Park District will continue the night beach security patrol to ensure that our 10:00 pm curfew is enforced and that appropriate activities are being supervised.

Beach Shelters

Shelters are located at the north and south ends of the beach. The shelters have fireplaces and picnic tables. Shelters are closed Monday–Thursday and Sunday at 10:00 pm, and can be reserved until 11:00 pm on Friday and Saturday by completing the shelter reservation.

Beach Passes

All residents MUST present their beach membership pass or Driver’s License to the beach attendant, or pay a daily fee during supervised hours. Membership passes are free and available at the Park District office. Memberships are only available to the park district residents, as defined in the Admin Policy (7.5 section).

Lifeguards

Guards will be on duty to collect fees, check beach passes and check dog beach tags. Please hold on to your receipt for possible spot checks during the day.
Sailing Classes
Four Week Sessions

Our sailing program features a safe curriculum for students to follow. Head program instructors are certified USSA dinghy instructors. Safety is our top priority! All necessary equipment will be provided. Class will be conducted Monday–Thursday with make-up classes on Fridays. Although all cancelled classes will be rescheduled, make-up sessions will not be conducted for no-sail days. All participants must provide their own life jacket.

Sunrise Beach offers a variety of ways for individuals and families to enjoy boating on Lake Michigan. Not a sailor? Do your children want to learn to sail? Need a refresher course? Our knowledgeable sailing staff offers private, semi-private and group lessons.

Whether you are a beginner or intermediate sailor, we have what you need to get out and have a great experience on Lake Michigan. Lessons begin in June with sessions running through mid-August. Lessons are taught on Sunfish boats.

Group Sailing Lessons

Sailing is a lifelong recreational activity and it is easy to learn! Best of all, SAILING IS FUN! Beginning students will learn the basics of sailing from how to rig a boat, basic safety on the water, knots and sailing terms. We will get out on Lake Michigan; learn boat handling techniques, tacking, capsizing and recovery. Intermediate students have a solid knowledge of sailing and will polish their previously learned skills and boat handling techniques.

A swimming test will be given at the start of each session. Participants must be able to swim 50 feet. All participants will wear life jackets while on the water. Classes will meet regardless of weather and there are no make-up classes. Sailing instructors reserve the right to move students to the appropriate level. Each class is limited to 18 students and each session consists of three weeks.

Camp withdrawal fee applies to Junior Learn to Sail Camp.

Diving & Swim Team

Swim Team

The Park District sponsors a competitive summer swim team that competes in the Northern Illinois Swim Conference. This is a recreational team, so emphasis is on skill development in a fun and positive atmosphere. Swim meets are on Wednesday afternoons, and are approximately 3–5 hours long with the exception of the swim conference.

In order to process your Swim Team registration, you must include your email address on the registration form. All communication from coaches will be by email for the summer. If you have any questions, please email the Lake Bluff Pool at lbsharks@lakebluffparkdistrict.org. Your swimmer will be registered based on their age and gender group. If the maximum number is reached for your age and gender group, you may still register in an older group and will then swim in the meets in that older group, but you will practice with your actual age group. Lake Bluff Day Camp participants are allowed to sign up for swim team also.

Register Early! Swim Team informational package emailed to registrants two weeks before start date!

Lake Bluff Masters Swim

Have a passion for swimming, but no one to swim with? This program is intended for adults who enjoy swimming in a group setting. All skill levels welcome. Whether you are swimming to condition or training for an event, this program will help motivate you to achieve your goals. An instructor will be present and will guide participants through a swim set (roughly one hour). Group instruction will be given; however, if one-on-one instruction is of interest, private swim lessons are available. Feel free to swim at your own pace or with others in your lane. This program can be as individual or as group oriented as you make it. This master’s program will not formally compete in swimming competitions.

Welcome to the 2018–2019 Paddle Season. This is the second season with our NEW fourth court and we are excited to let you know that the 2018–2019 paddle program will have something for everyone! If you like competition, then you should play on one of our teams. We have four Women’s teams: I, V, XI, and XV. We have twelve Men’s teams: 3, 8 10, 15, 19, 20, 21, 25, 27, 28, 29(1) 29(2). We compete with clubs all over the North Shore and we still need beginners, advanced players and everything in between to continue the growth of our club!

If you like to be social, then our club is the answer to Friday night fun and more. We have mixers one Friday a month, and many special events like the Turkey Memorial Open, Super Bowl Super Team Co-ed Tournament, Men’s Bring-a-Ringer, Men's Money Ball, and Ladies’ Member/Guest Day to name a few.

If you have children, then you will enjoy the many opportunities for them to get involved and learn this great sport. We have group lessons for ages 5–18 years, a junior travel team with practices and matches, Friday Night Junior Paddle and Pizza for ages 6+ years, special events and camps. They are guaranteed to have fun, fun, fun!

We have all types of lessons: private, semi-private, three-on-one, four-on-one, team drills, Fast Paddle for beginners, Shot of the Week, clinics and paddle camps. No matter your ability or whether you are looking for competitive or social paddle, we will find a place for you in our club to enjoy your season!

I’m excited to welcome back our Assistant Racquets Professional, Kari Falls, to the Lake Bluff Park District. Kari plays on our LB Series I women’s team and has lived in the community for over 20 years. She brings years of paddle experience, a positive attitude and a great wealth of knowledge to the program. I’m also very happy that Martha Pedersen, our Paddle Club Coordinator, is back to help us communicate, organize and make this season even more cation packed than last year.

Please let me know how I may get you involved.

Sincerely,

Kidzone

Do you need some time to run errands, or have a morning appointment to get to? We provide child care service for parents leaving the Park District grounds. The available hours are Monday through Friday, 8 am to 3 pm and Saturdays 8:00 am to noon. We are located in the babysitting room in the Early Childhood Wing.

We do not take reservations—Kidzone is first come, first served. We reserve the right to limit the number of children cared for, so it is possible that we might be unable to accommodate your child on any date.

Punch cards for Kidzone must be paid for at the front desk. You may purchase a 10 punch card for $100 or a 20 punch card for $200.

All punches are punched on hourly increments only. (Please note this is different from the In-House Child Care where parents must remain in the Park District building, thus paying a different fee.)

Class Descriptions

Mommy & Me, Pre-Ballet (Beginner–Pre-School) and Pre-Ballet/Tap

In these levels children will develop poise and musicality in a fun and creative environment. The instructor will introduce children to a creative yet disciplined classroom structure that challenges their curious minds while introducing age-appropriate dance material. The students will express themselves physically through exercises intended to increase their coordination, strength, flexibility and their awareness of spatial concepts while beginning their understanding of classical ballet. The strong emphasis on musicality and rhythmic timing will increase their ability to listen to and dance with the music. Mommy and Me class allows child to dance with mom and is designed for dancers that are 2-3 years of age.

Ballet, Demi-Pointe and Pointe (Levels 1–7)

These levels more formally offer children a challenging and disciplined classroom structure that is appropriately geared to their growing emotional and physical maturity. The students will build their knowledge of the basic structure of a ballet class with a growing vocabulary and develop proper placement of the torso, hips and legs without exceeding their anatomical limitations. They will develop a coordination of their arms and heads with a concentration on smooth transitions throughout the exercises. As they progress through the levels, the difficulty and sophistication of the classwork will increase accordingly. In addition to their dance education, students will learn about musicality, ballet terminology and general stage and theater craft.

Lyrical and Contemporary (Levels 1–4)

Lyrical is a fluid form of dance mixing the elements of Jazz and Ballet. Lyrical is set to the lyrics of the music and allows the dancers to set their emotions free and dance with their heart as well as their technique. The musical focus results in movement that has a smooth, flowing quality used to tell a story.

Jazz (Levels 1–7)

Jazz class will focus on learning proper dance technique such as isolations of the body, improving performance quality and developing complex rhythms and patterns. Students will be exposed to various styles of jazz such as Broadway, Street and Contemporary to help develop a well-rounded dancer. Class curriculum is based on ballet technique layered with traditional jazz movement and includes a proper warm-up, stretches, isolations, jumps, leaps, turns, and across-the-floor progressions and combinations. As students progress through each level curriculum will become increasingly more complex and intricate.

Tap (Levels 1–6)

Tap classes are designed to develop rhythm, style and sound. Students will learn a variety of tap styles from Broadway to Rhythm tap. Exercises focus on building flexibility of the knee and ankles, coordination and speed of movement. The class emphasis is on developing proper tap technique, producing clear tap sounds and having fun. As students’ progress through each level curriculum will become increasingly more complex and intricate.
Pre-Jazz/Hip Hop  
(Beginner–Pre-School)

Hip hop and Jazz is a high-energy class that infuses the latest styles of street dancing, breaking, popping and locking. Classes will encourage students to step outside of the box by bringing their own individual style and personality to the movements. Hip hop dance requires students to have the strength and stamina to successfully perform moves. Therefore class includes upper and lower body conditioning as well as a rigorous warm-up to help prepare students for more intense movements.

Jumps, Leaps and Turns  
(Levels 1–5)

In this class, you will be learning the proper technique, alignment and execution of the most popular turns, leaps and jumps; fouette turns, turns a la seconde, pirouettes, chaine and pique turns, grand jetes, center leaps, surprise leaps, turning leaps, barrel leaps, Russian jumps, attitude jumps, ring jumps and much more. This class is great for those that are interested in doing Poms in grade school and in high school.

Lake Forest Residents

The Park District recognizes Lake Forest citizens receive resident rates for Fitness, Paddle, Golf Club and Dance Classes. This policy includes all daily fees, memberships and class fees in these areas.

Acro Dance/Tumbling

This class is based on safe and effective progressions of Acro Dance: flexibility, strength, balance, limbering and tumbling. Simple progressions take the beginner preschool dancer from log rolls and summersaults to the advanced dancer tumbling effortlessly across the stage.
Dance Class Schedule June 17–August 3 7 WEEKS SESSION!!!

No class July 4. Makeup will be August 8 at normal class times. Classes need a minimum of 5 dancers in order to run.

Mr. Mark’s Music Together

All children are born musical. Music Together classes build on children’s natural enthusiasm for music and movement to help develop your child’s basic musical skills. Classes are mixed-age (birth to kindergarten) and focus on adult/child interaction, so siblings attend class together. Infants blend with any age group and their musical development benefits from early exposure.

Behavior & Discipline Guidelines

A caring, positive approach will be taken regarding discipline. Each participant is expected to:

1. Treat all participants and staff with respect.
2. Respect all equipment.
3. Follow all rules so he/she will not place him/herself in a dangerous situation.

The purpose of discipline is to help a child develop self-control and learn to assume responsibility for his or her own actions. We use positive statements and reinforcements to redirect negative behavior. Should a child need more than that, a “time out” period may be initiated. We will handle disruptive behavior in the following manner:

1. The parent/guardian will be informed of the specific behavior. A written memo will be given to the parent and a copy will be kept in the child’s file.
2. If the behavior continues, the instructor will inform the parents a second time.
3. If there is no change in behavior, your child will be dismissed from the class/program; a refund will be issued for the remaining class days.

Disruptive behavior is defined as any behavior that causes, or could lead to, personal injury of your child or others. Examples: hitting, kicking, throwing things, defying or running away. Or any behavior that disrupts the normal class climate. Disruptive behavior, in the broad sense, is any behavior that takes the instructor away from the rest of the class for long periods of time.

Lake Forest/Lake Bluff Girls Softball House League

Goals of this program will range from introductory skill development to advanced game strategy, depending on age group and skill level. This is a great program for girls interested in trying the sport for the first time OR for the avid, competitive softball player as skill development will be advanced at the older age groups. While this is a clinic-based program, stressing skill development through drill work and group game play, scrimmages will be played to give players game-like experience. Intensity of scrimmages will be dependent on age group and skill level. Girls will receive a jersey and visor.

Tee Ball

We are excited for Lake Bluff T-Ball and have a fantastic program that will include core fundamental development with a heavy dose of fun.

The season will feature a six-week session led by experienced coaches, while integrating interested parents to help out. While we encourage parent participation, you shouldn’t feel obligated to jump in and lead your son’s or daughter’s team. If you want to help, jump in and join the fun! If not, sit back, relax and feel free to cheer from the sidelines.

Each session will include a dose of fundamental development and lead into games. The first few sessions will be developmental in nature - throwing, catching, field positioning, batting (safety and awareness included) and base running with a short game to close out each session. The amount of skill development will give way to gameplay as the season progresses.

Ages: Pre-K & Kindergarten
Dates: Mid-May–TBD
Days: Wednesdays & Saturdays
Location: Lake Bluff Middle School

Pinto Introduction to Baseball

This instructional league will include skill building sessions as well as coach pitched games. This program serves as the perfect transition for the young player preparing for play at higher levels of youth baseball. Parents interested in coaching baseball will also benefit from this chance to become familiar with coaching policies and practices. Games will be conducted on age appropriate baseball diamonds, and uniforms will be provided.

Ages: Current 1st & 2nd graders
Dates: April 13–June 2
Days: Mondays, Wednesdays and Saturdays – time TBD
Fridays will be used for make-ups due to poor weather
Location: West School, Mawman Park and Artesian Park

Mustang • Bronco
3rd & 4th graders – Mustang
5th & 6th graders – Bronco

Our House league is designed to expose kids at all skill levels to the game of baseball. The typical season is 7 practices, 13-15 games, plus an end of the season double elimination tournament. Players will have the opportunity to play different positions during the season.

Please note: Second Graders-Optional Tryout for Advanced Players

LBYBA strongly recommends that children play with kids in their own grade. Parents who believe their second grader has advanced baseball skills and the physical and emotional maturity to play with kids who are 2 grades older can have their child evaluated for possible placement in our Mustang League. The sole responsibility for the safety and well-being of any second grader who is placed in Mustang resides with the parent(s) who have chosen to have their child play in such league.

Mustang selection is at the discretion of LBYBA and will be based on a number of factors including skill level, safety, and team balance.

Dates: April 2–June 2
Schedule: Teams typically meet twice during the week (Tue / Wed / or Thur) and 1 or 2 games on Saturdays. Weekday games are at 5:30 pm, Saturday game times vary, usually 10:30, 12:30, 2:30, or 4:30. Final schedule will be provided in early April.

Big Kidnastics (Without Parent/Caregiver)

This gymnastics and tumbling class is without parents and more structured than Baby Gym. Kids will enjoy jumping in the bouncy house and on the mini tramp, swinging on bars and rings, and singing new songs. Your child will begin to learn handstands, cartwheels, taking turns and following directions. Each week Miss Kelly or Miss Holly will focus on a new challenge. Bubbles and stamps for everyone, as always! Participants may be escorted from Kidzone or the Lake Bluff Preschool to gymnastics class.

Lake Bluff Preschool

Preschool for Three Year Olds

3.0–3.8 year olds

The Monday/Wednesday class is perfect for encouraging children’s enjoyment of school and their eagerness to learn in a playful environment. Tamera Guidarini “Mrs. G” gets them excited to further explore the basic concepts of shapes, colors, numbers, letters and their sounds. Children do activities that help develop fine motor skills in preparation for writing. Fun art, science experiments and lively music are included. We begin teaching social/emotional skills through the Calm Classroom curriculum.

**Preschool for 3.6 to 5 Year Olds**

**Lake Bluff Morning Preschool** classes for 4–5 year olds are offered either four or five days a week.

**Afternoon Preschool** for 3.6–5 year olds is **four days**. Children bring their lunch and then enjoy an afternoon of preschool activities.

Lake Bluff Preschool classes are taught by experienced teachers, Sheila Thomsen and Marcine Zbynski, who know that children love to learn by using their hands. Whether making unique designs in the classroom rock garden, doing a woodworking project, gardening or conducting a science experiment, children are encouraged to find connections in what they are learning and express that through art, writing or in whatever ways they are inspired to do so. We also help them become more confident in recognizing the alphabet and the sounds of the letters, understanding beginning math concepts and refining their skills for writing letters and numbers. Using games and creative materials, children learn while having fun. Our practice of Calm Classroom techniques teach skills that develop focus, concentration and a mind that is relaxed and ready to learn.

**Lake Bluff Afternoon Preschool**

**3.6–3.11 year olds**

The older three year olds attend Tuesday/Thursday/Friday for mornings focused on learning in a playful and nurturing environment. Mrs. G continues encouraging natural interest in letter sounds, writing, counting objects, building with blocks and other materials and creative educational experiences.

We expand on the young three’s activities and stimulate their natural curiosity to get them thinking and asking interesting questions. Their classroom is designed to give them opportunities to do more things independently. Our Calm Classroom curriculum is a relaxing and fun part of their day. With stretching and breathing they become aware of how their body feels. Children love learning these skills.

**Lunch in Kidzone**

Preschool parents are invited to purchase a Kidzone Punch Pass (10 punches for $100).

After your child’s morning class, he can enjoy an additional one hour lunch and play time with classmates. Children always have fun with Miss Tina in Kidzone!
Afternoon Kindergarten

The Afternoon Kindergarten Program is designed to engage students in rich and varied activities designed to provide the foundation for academic and social success. The environment provides a healthy balance between whole group, small group and individual work, academic enrichment and play and teacher-directed and self-guided goals and pursuits. Teachers identify students’ individual interests and differentiate instruction to devise units of study to capture imaginations.

This comprehensive program boasts its servicing of LBES Preschoolers in addition to Lake Bluff Preschoolers. Children bring a lunch and will eat together before they begin their afternoon activities.

Both the child and the class will benefit from a consistent choice of days. Therefore, specific 5, 4 or 3 days chosen stay the same throughout the school year. It is possible to add or drop days on a one-time basis as the school year progresses (tuition will be prorated). Registrants starting after the first day of school will have their tuition prorated with their actual start date.

Please note: We do not observe all LBES No School Days. Please see our school calendar for details.

INSURANCE LIABILITY WAIVER  The Lake Bluff Park District is committed to conducting its recreation programs and activities in the safest manner possible and holds the safety of the participants in the highest possible regard. Participants and parents registering their child in recreation programs must recognize however, that there is an inherent risk of injury when choosing to participate in recreation activities. The Lake Bluff Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions which have been designed to protect the participants’ safety. Please recognize that the Lake Bluff Park District does not carry medical accident insurance for injuries sustained in its programs. The cost of such would make program fees prohibitive. Therefore, each person registering themselves or a family member for a recreation program/activity should review their own health insurance policy for coverage. It must be noted that the absence of health insurance coverage does not make the Lake Bluff Park District automatically responsible for payment of medical expenses. Due to the difficulty and high cost of obtaining liability insurance, the agency providing liability coverage for the District REQUIRES the execution of the following Waiver and Release. Your cooperation is greatly appreciated. Please read this form carefully and be aware in participating in the program(s) listed above, you will be waiving and releasing all claims for injuries you might sustain arising out of the activities of this program.

WAIVER AND RELEASE OF ALL CLAIMS  As a participant in the program, I recognize and acknowledge that there are certain risks of physical injury and I agree to assume the full risk of any injuries, including death, damages or loss regardless of severity which I may sustain as a result of participating in any and all activities connected with or associated with such program (including transportation services and vehicle operations, when provided). I agree to waive and relinquish all claims I may have as a result of participating in the program against the District and its officers, agents, servants and employees. I do hereby fully release and discharge the District and its officers, agents, servants and employees from any and all claims from injuries, including death, damage or loss which I may have or which may accrue to me on account of my participation. I further agree to indemnify and hold harmless and defend the District and its officers, agents, servants and employees from any and all claims from injuries, including death, damages and losses sustained by me or arising out of, connected with, or in any way associated with the activities of the program.

PERMISSION TO SECURE TREATMENT  In the event of emergency, I authorize District officials to secure from any licensed hospital, physician, and/or medical personnel any treatment deemed necessary for my immediate care and I agree that I will be responsible for payment of any and all medical services required. I have read and fully understand the aforementioned Program Details, Waiver and Release of All Claims and Permission to Secure Treatment. (Note: Please sign in an appropriate space below.)

I have carefully read the insurance liability waiver on this page, and I understand that my signature is required below in order to participate in Lake Bluff Park District programs.

Preschool STEAM and Executive Functioning Skills

Let us teach your child ways to improve their Executive Functioning Skills.

Controlled by the brain’s frontal lobe, Executive Functioning Skills are one’s working memory, control/self-regulation and cognitive flexibility. These three skills help the brain organize and act on information. They enable people to plan, organize, remember things, prioritize, pay attention and get started on tasks. They also help people use information and experiences from the past to solve current problems.

**A strong working memory** means you have the ability to retain fresh information long enough to able to do something with the information. People with strong working memories find it easier to recall and manipulate information they hear without needing to write it down.

**Having control/self regulation** is the quality that allows you to stop yourself from doing things you want to do that might not be in your best interest.

**Having cognitive flexibility** is the ability to switch between thinking about two different concepts, and to think about multiple concepts simultaneously.

STEAM is an acronym for Science, Technology, Engineering, Arts/Creativity and Math education. We focus on these areas together not only because the skills and knowledge in each discipline are essential for student success, but also because these fields are deeply intertwined in the real world and in how students learn most effectively. STEAM is an interdisciplinary and applied approach that is coupled with hands-on, problem-based learning. (Check out all the STEAM offerings this season.)
**Fantastic Science**

Unlock the mysteries of science through hands-on activities and explorations. Our scientists will learn about subjects by observing, describing, and experimenting. Don't forget to bring your lunch!

**ARC Special Days**

Trips for days off school due to holidays, teacher institutes, teacher conferences, etc. are available to all ARC children enrolled in Kindergarten through 5th grade. These days include trips to different destinations in the area with drop off and pick up at the Lake Bluff Park District Recreation Center. Days offered for the 2018/2019 school year are listed below. Field trip destinations will be posted later. Please note trips are subject to cancellations if we do not meet our minimum numbers. No refunds will be given for withdrawals.

Note: Registration for days off school and holidays is available for children not enrolled in ARC; however children currently enrolled in ARC have priority registration for these trips.

**ARC In-House Days**

In-House Days are those days when school is held only half of the day and students may come to ARC for the remainder of the day. Punch Card may be used for In-House Days. ARC emergency punch card may not be used for In-House Days. Children should bring lunch and will be walked to the Park District. Note: In-House Days are only for children currently enrolled in the corresponding ARC session.

**ARC Emergency Punch Card**

This punch card is only available to families enrolled in the ARC program and allows you to purchase additional time at ARC. The fee is $100 for 5 punches and expires at the end of the school year. Unused punches will be credited back to you at the end of the school year.

Note: The punch card may not be used to extend the 6:00 pm pick-up option or used for Special Days or In-House Days.

**Punches may be used to:**

- Add time onto a 4:30 pm pick-up
- Come on an additional day for which you are not currently registered

**INSURANCE LIABILITY WAIVER**  The Lake Bluff Park District is committed to conducting its recreation programs and activities in the safest manner possible and holds the safety of the participants in the highest possible regard. Participants and parents registering their child in recreation programs must recognize however, that there is an inherent risk of injury when choosing to participate in recreation activities. The Lake Bluff Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions which have been designed to protect the participants’ safety. Please recognize that the Lake Bluff Park District does not carry medical accident insurance for injuries sustained in its programs. The cost of such would make program fees prohibitive. Therefore, each person registering themselves or a family member for a recreation program/activity should review their own health insurance policy for coverage. It must be noted that the absence of health insurance coverage does not make the Lake Bluff Park District automatically responsible for payment of medical expenses. Due to the difficulty and high cost of obtaining liability insurance, the agency providing liability coverage for the District REQUIRES the execution of the Waiver and Release. Your cooperation is greatly appreciated. Please read this form carefully and be aware in participating in the program(s) listed above, you will be waiving and releasing all claims for injuries you might sustain arising out of the activities of this program.

**WAIVER AND RELEASE OF ALL CLAIMS**  As a participant (or as a parent/guardian of a participant under age 18) in the Lake Bluff Park District programs, I recognize and acknowledge that there are certain risks of physical injury and I agree to assume full risk of any injuries, including death, damages, or loss regardless of severity which I may sustain as a result of participating in any and all activities connected with or associated with such program (including transportation services and vehicle operations, when provided). I agree to waive and relinquish all claims I may have as a result of participating in the program against the Lake Bluff Park District and its officers, agents, servants, and employees. I do hereby fully release and discharge the Park District and its officers, agents, servants, and employees from any and all claims from injuries, including death, damage, or loss which I may have or which may accrue to me on account of my participation. I further agree to indemnify and hold harmless and defend the Park District and its officers, agents, servants, and employees from any and all claims resulting from injuries, including death, damages, and losses sustained by me or arising out of, connection with, or in any way associated with the activities of the program.

**PERMISSION TO SECURE TREATMENT**  In the event of emergency, I authorize Park District officials to secure from any licensed hospital, physician, and/or medical personnel any treatment deemed necessary for my immediate care and I agree that I will be responsible for payment of any and all medical services required. I have read and fully understand the aforementioned Program Details, Waiver and Release of All Claims and Permission to Secure Treatment.

(Note: Please sign in an appropriate space below)

I have carefully read the insurance liability waiver on this form and I understand that my signature is required below in order to participate in Lake Bluff Park District programs.

Lake Bluff Pool & Beach FAQ

When can I register for the pool and beach?

A. Pool and Beach memberships can be purchased by Residents March 13 and Non-Residents March 20.

I hate the long lines at the beginning of summer! Will the lines be long this year?

A. It is up to you. If you register well before the pool is even filled with water—NOW—you are in luck and you will not be standing in line on a hot summer day.

When is the early-bird rate?

A. This year the early-bird rate ends on April 15. After April 15 the rates will increase.

Can I get my Pool pass updated the week the Pool opens?

A. We strongly advise that you take care of that well before the season starts. We don’t want you to miss out on even an hour of time at the pool. If you wait until then, you will may have to wait in line.

**Important Information**

The Lake Bluff Park District is committed to providing safe aquatic facilities and programs and holds the safety of participants in high regard. The Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants’ safety. However, participants and parents/guardians of minors engaged in aquatic activities must recognize that there is an inherent risk of injury. You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for the activities associated with this Pool Pass and/or Beach Pass. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical/aquatic activity.

Please read this form carefully and be aware that in consideration for this Pool Pass and/or Beach Pass, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with or associated with this Pool Pass and/or Beach Pass.

Please understand and recognize that lifeguards are not responsible for providing supervision or assessing your swimming skills or that of your minor child; rather, lifeguards are responsible for enforcing safety rules and responding to emergencies. Adult pool pass holders and parents of minor pool pass holders are solely responsible for supervision of any and all activities contemplated by this agreement. Additionally, children 10 years of age and younger must be supervised at all times by a responsible person, 16 years of age or older.

---

**NEVER LEAVE ANY CHILD WITH POOR SWIMMING SKILLS OR 10 YEARS OF AGE AND YOUNGER UNACCOMPANIED BY A PARENT OR RESPONSIBLE PERSON, 16 YEARS OF AGE OR OLDER.**

---

**WARNING OF RISK**

Swimming and other aquatic activities challenge and engage the physical, mental and emotional resources of each participant. However, despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including but not limited to drowning, head/brain injury, and spinal cord injury. Understandably, not all hazards and dangers can be foreseen. The very nature of swimming and aquatic activities are hazardous and risky, including but not limited to fatigue and overexertion, poor swimming skills, failing to avoid dangerous areas, failing to follow rules and regulations, failure of lifeguards to locate victims and/or delay in emergency response time, horseplay, diving or cannon-balling into shallow water and striking the bottom or side of the pool or waterslide or bottom of lake, inadequate supervision or instruction, lack of conditioning, becoming disoriented, striking other swimmers, striking one's head on the bottom, slip and falls on the deck or within the locker facility or beach area, chemical exposure and all other circumstances inherent to aquatic activities. In this regard, it must be recognized that it is impossible for the Park District to guarantee absolute safety.

**WAIVER AND RELEASE OF ALL CLAIMS AND INDEMNIFICATION AGREEMENT**

Please read this form carefully and be aware that in consideration for this Pool Pass and/or Beach Pass, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with the Park District aquatic facilities and programs.

I recognize and acknowledge that there are certain inherent risks of physical injury to patrons of aquatic facilities, and I voluntarily agree to assume the full risk of any injuries, damages or loss, regardless of severity that my minor child/ward or I may sustain as a result of participating in any and all activities and programs connected with or associated with this Pool Pass and/or Beach Pass. I further recognize and agree that lifeguards and other aquatic staff are not responsible for supervising my activities or the activities of my minor child(ren) and I agree that I am solely responsible for supervising my minor children and/or assessing whether my children are physically fit and/or adequately skilled for aquatic activities. I additionally agree to supervise any children ages 10 and under at all times.

I further agree to waive and relinquish all claims I, or my minor child/ward may have (or accrue to me or my child/ward) as a result of use of the Park District’s aquatic facilities, beach facilities and programs against the Park District, including its officials, agents, volunteers and employees (hereinafter collectively referred as “District”).

I do hereby fully release and forever discharge the District from any and all claims for injuries, damages or loss that my minor child/ward or I may have or which may accrue to me or my minor child/ward and arising out of, connected with, or in any way associated with use of the Park District’s aquatic facilities, beach facilities and programs.

I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering on-line or via fax, my on-line or facsimile signature shall substitute for and have the same legal effect as an original form signature.

Dog Beach Waiver and Release

IMPORTANT INFORMATION
You are solely responsible for supervising your dog and determining whether or not this is an appropriate activity to participate in. You must understand that you are participating in this activity at your own risk (and risk of your dog). You are solely responsible for determining if you and/or your dog are physical fit and/or adequately skilled to use this facility. It is always advisable, especially if the owner/handler or dog is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician or veterinarian before undertaking any physical activity. When this Waiver & Release refers to “your dog,” “my dog,” or the “owner” of a dog, it includes you whether or not you are the legal owner of the dog, since you are the person responsible for the dog while using this facility.

WARNING OF RISK
Dog activities are intended to provide a fun and rewarding experience for a dog and his owner/handler. However, despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including death to the dog, its owner/handler or other persons or animals. Understandably, not all hazards and dangers associated with animal activities can be foreseen. Certain inherent risks include the propensity of any dog to behave in dangerous ways that may result in injury to the owner/handler or other patron or dog. Certain risks include, but are not limited to the negligence or irresponsibility of another dog owner/handler; the inability to predict a dog’s reaction to sound, movements, objects, persons, or other animals; and actions by the dog due to fright, anger, stress, insect bites, or natural reactions such as jumping, pulling, resisting and biting. Other risks include the hazards associated with environmental and traffic conditions, acts of God, inclement weather, slipping, falling, premises defects, equipment failure, failure in instruction/supervision, and all other circumstances inherent to animal and outdoor activities. Should you attempt to break up a fight between dogs, you may be attacked and severely mauled by the other dog or attacked by the other handler/owner. In this regard, it must be recognized that it is impossible for the Lake Bluff Park District to guarantee absolute safety.

WAIVER AND RELEASE OF ALL CLAIMS AND INDEMNIFICATION AGREEMENT
Please read this form carefully and be aware that in consideration for permission to use this facility/park, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your dog might sustain as a result of participating in any and all activities connected with and associated with use of this facility or surrounding area. I recognize and acknowledge that there are certain risks of physical injury to the dog and its handler/owner in association with participating in animal activities, and I voluntarily agree to assume the full risk of any injuries, damages or loss, regardless of severity, that I might sustain as a result of participating in any and all activities connected with or associated with use of this facility or surrounding area. I do hereby agree to waive, relinquish, release and forever discharge the Lake Bluff Park District, including its officials, agents, volunteers and employees (hereafter collectively “District”) from any and all claims for injuries, damages or loss that I may have or which may accrue to me and arising out of, connected with, or in any way associated with this use of this facility or surrounding area. I further agree to indemnify and hold harmless and defend the District from and against any and all losses, claims, damages, liabilities, cause of actions, and expenses (including but not limited to court costs and attorney fees), on account of personal injuries or death to any person or dog, or damages to property occurring, growing out of, incident to, or resulting directly or indirectly from my use of this facility or surrounding area.

I have read and fully understand the Dog Responsibilities Contract and the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering on-line or via fax, your on-line or facsimile signature shall substitute for and have the same legal effect as an original form signature.

Refund Policy
In the past we allowed written requests for withdrawals and transfers up to the first day of the class. This has created hardships for instructors and participants alike. Last minute changes impacted on whether some classes must be cancelled due to low enrollment or whether several classes must be combined. Instructors who have held times in their schedule to teach are notified at the last minute they are not needed. Some classes require supplies to be purchased in advance of the first class. Participants of any class being changed or cancelled need to be notified in a timely manner. For all of the above reasons and in order to have accurate class lists, we must make a policy change.

Requests for transfers and withdrawals for any program must be made no later than 7 days prior to the first class. All refund and program change requests must be made in person at the Park District office and there is a $5 processing fee for either one.

Other than above, refunds can only be given for medical reasons, and will be prorated. If a medical problem occurs before or during a program and the participant requests a refund, a prorated refund will be assessed with a doctor’s note only, starting with the date of the signed request which must be made in person at the Park District office. Under no circumstances will refunds requested after the last day of class be approved.

When the Park District reschedules or cancels programs, full refunds will be given. Refunds are sent to those whose requests have been approved within 45 days of the written request.

There are no prorated fees or refunds for contractual programs (i.e. 5 Star Sports, LBYBA).

Participants and parents registering their child in recreation programs must recognize however, that there is an inherent risk of injury when choosing to participate in recreation activities. The Lake Bluff Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions which have been designed to protect the participants' safety. Please recognize that the Lake Bluff Park District does not carry medical accident insurance for injuries sustained in its programs. The cost of such would make program fees prohibitive. Therefore, each person registering themselves or a family member for a recreation program/activity should review their own health insurance policy for coverage. It must be noted that the absence of health insurance coverage does not make the Lake Bluff Park District automatically responsible for payment of medical expenses. Due to the difficulty and high cost of obtaining liability insurance, the agency providing liability coverage for the District requires the execution of the Waiver and Release. Your cooperation is greatly appreciated. Please read this form carefully and be aware in participating in the program(s) listed above, you will be waiving and releasing all claims for injuries you might sustain arising out of the activities of this program.

WAVIER AND RELEASE OF ALL CLAIMS As a participant (or as a parent/guardian of a participant under age 18) in the Lake Bluff Park District programs, I recognize and acknowledge that there are certain risks of physical injury and I agree to assume full risk of any injuries, including death, damages, or loss regardless of severity which I may sustain as a result of participating in any and all activities connected with or associated with such program (including transportation services and vehicle operations, when provided). I agree to waive and relinquish all claims I may have as a result of participating in the program against the Park District and its officers, agents, servants, and employees. I do hereby fully release and discharge the Park District and its officers, agents, servants, and employees from any and all claims from injuries, including death, damage, or loss which I may have or which may accrue to me on account of my participation. I further agree to indemnify and hold harmless the Park District and its officers, agents, servants, and employees from any and all claims resulting from injuries, including death, damages, and losses sustained by me or arising out of, in connection with, or in any way associated with the activities of the program.

PERMISSION TO SECURE TREATMENT In the event of emergency, I authorize Park District officials to secure from any licensed hospital, physician, and/or medical personnel any treatment deemed necessary for my immediate care and I agree that I will be responsible for payment of any and all medical services required. I have read and fully understand the aforementioned Program Details, Waiver and Release of All Claims and Permission to Secure Treatment. (Note: Please sign in an appropriate space below.)

I have carefully read the insurance liability waiver on this form and I understand that my signature is required below in order to participate in Lake Bluff Park District programs.
