

Lake Bluff Park District Financial Aid Policy

Policy

To help ensure that every resident of the Lake Bluff Park District who is experiencing financial hardship has the opportunity to participate in recreation programs

Eligibility

To be eligible to receive financial assistance, the applicant must meet the following criteria:

- Must be a resident of the Lake Bluff Park District.
- Must apply for assistance in writing using the financial aid form provided by the District.
- Must provide written documentation requested by the District prior to determination of eligibility.
- Residents must submit a copy of their most recent federal income tax return (Form 1040) and any additional income verification information required.

Scope of Financial Aid

1. The financial aid program is intended to benefit residents in temporary financial need.
2. Programs eligible to scholarship recipients include: general early childhood, early childhood enrichment, Bright Beginnings, special events, adult and youth in-house athletics, camps, regular School of Dance classes (does not include competition dance classes), Group X punch passes, ARC, Before and After School Care, swim and diving lessons, swim team, Aqua Aerobics, paddle lessons and golf lessons.
*Financial aid may not be available for all programs or for some direct cost as determined by the Park District. These would include contractual programs, field trips and ticket type events. ARC days off trips are discounted and are \$25 per day for those who qualify. No financial aid is available for facility memberships.
3. The amount of aid may vary, depending on financial need, number of aid applications and money available; however, in no case shall the amount of aid to an individual exceed **50%** of the program fee. Financial aid is awarded on a first come, first served basis and approval is dependent on space being available. The maximum amount of financial aid is \$1,000 per family, regardless of family size, and \$10,000 in total Park District assistance per calendar year.

Other

1. All information on the application must be true and accurate. **Financial aid provided is legally recoverable if awarded on the basis of false information.** Any applicant who receives financial aid based upon false information, shall pay the entire amount back to the Park District upon demand, and shall also be responsible for the payment of all costs of collection, including attorney's fees and costs.

2. All information received will remain confidential.
3. All financial aid shall be awarded solely based upon the individual need of the applicant without regard to race, color, gender, religion or sex.

2. Aid provided will be based on many factors including, but not limited to, family size, family income, other types/amounts of aid received from agencies and other extenuating circumstances. Another consideration shall be the number of applicants for financial aid.
3. Applications for financial aid will be notified within 2 weeks of receipt of completed application, including all necessary documents, as to the grant status.
